Airfloa Rail Team Up with Janatics to Build Automatic Door Systems for Rail Coaches

Chennai, January 26, 2025 – Airfloa Rail Technology Limited (BSE – AIRFLOA | 544516 | INE0XBS01012), a leading manufacturer of railway rolling stock components and turnkey interior solutions has announced that it has entered into a Memorandum of Understanding (MoU) with Janatics Industrial Automation Private Limited **for the development and supply of Automatic Door Systems for railway applications.**

Highlights of the MoU

- The MoU covers Automatic Door Systems for modern railway coaches, including Freight EMU and Vande Bharat platforms
- Product scope includes:
 - Double Leaf Plug Doors
 - Automatic Single Leaf Plug Doors
 - Pocket Sliding Doors
 - Automatic Fire Barrier Doors
- **Airfloa will lead tender participation, customer engagement, and project execution**

Strategic Significance

The MoU strengthens Airfloa's capabilities in a specialised subsystem that is increasingly becoming standard across new-generation railway coaches and upgrades. By expanding its automatic door systems portfolio, Airfloa enhances its ability to participate across both component-level and integrated railway tenders, supporting its focus on execution clarity, commercial discipline, and long-term participation in modern railway programs.

Commenting on the Development, Mr. Manikandan Dakshnamoorthy, Joint Managing Director, said:

"This MoU reflects our focus on strengthening critical subsystems required in modern railway coaches. By partnering with Janatics, we are adding depth to our automatic door systems capability while retaining clarity on execution and commercial alignment. The arrangement supports our participation in upcoming railway programs in a measured and disciplined manner."

About Airfloa Rail Technology Limited
